1 Corinthians 13:1-13

This scripture is known as the 'Chapter of Love'. Look carefully at the characteristics of love. Paul explains that when he was a _____, he _____ like a child and _____ like a child. But now, as an adult, he has put the ways of childhood _____ him. Our love for God must also grow and mature just as we have. It cannot remain the same as before. Though we should not forget our first love, we should strive to love God in the fullness of these characteristics as a mature being in Christ.
